BIOGRAPHY

Hoang graduated from an advanced undergraduate program in Business Administration – Law from Ho Chi Minh City University of Law.

Before becoming a member of Apolat Legal, Hoang worked at professional law firms in Vietnam. Hoang joined Apolat Legal as a paralegal in August 2023 and worked mainly in the field of corporate consulting; checking and reviewing risks in economic contracts.

EDUCATION

Ho Chi Minh City University of Law

- Bachelor of Law
- Bachelor of Business Administration

PRACTICE FOCUS

Currently, Hoang supports Apolat Legal's Lawyers and Associates mostly in the professions of business and investment, trade, mergers and acquisitions (M&A) consultancy, and dispute resolution.

Hoang is also responsible for assisting Lawyers and Associates with legal research, reviewing, translating, and preparing documents, contracts, etc.

REPRESENTATIVE LEGAL MATTERS

- Carried out an internal legal audit of one of Vietnam's leading beverage manufacturing enterprises.
- Participated in consultation on legal issues related to disputes in a cooperation deal of a state-owned enterprise with a dispute value of more than 600 billion VND.
- Participated in legal due diligence of target companies in business acquisition projects in the fields of restaurants, hotels, real estate, golf simulators, ...
- Participated in providing legal advice on the transfer of shares of a company operating in the golf business with a value of nearly VND 150,000,000,000.
- Participated in legal due diligence for the acquisition of capital in one of the largest egg and poultry meat production companies in Vietnam.
- Participated in providing ongoing legal advice to a global group headquartered in France, operating in construction, civil engineering, energy, and services.
- Provided legal advice to a leading pharmaceutical manufacturing company in Vietnam, belonging to a pharmaceutical group headquartered in Germany.
